

Shown during final assembly, steel foundation for the 300 mw. unit at Sundance was prefabricated in Germany, shipped to its site at Sundance and permanently welded in place by Dominion Bridge Co. Ltd. crews.

SUNDANCE PLANT TO EXCEED CAPACITY OF ALL OTHERS

Last year the Calgary Power Ltd. system load grew at the rate of 13.8%, compared to 9.3% for 1967 and it is expected that the annual growth rate will be greater still in 1969. To meet the expanding requirements for electrical energy, about \$30 million of this year's \$47 million construction budget will be invested in new generating facilities.

One of these, the new steam plant located near Sundance on the south shore of Lake Wabamun, is designed for four units with a total capacity of 1,600 megawatts -- more than the present total capacity of the 13 plants operated by the Company.

The first unit of 300 mw (300,000 kilowatts) at Sundance has been under construction since 1967. Foundations and footings for the powerhouse were completed early in 1968 and steel work for the structure progressed to the point where the building was enclosed for winter work.

The unique foundation which will support the 130-foot-long turbo generator was recently completed inside the powerhouse. Steel fabrication rather than concrete was used on such a large unit for the first time in North America -- providing flexibility to hold vibration of the machine within closer tolerances than

would conventional foundations. The condenser for the steam turbine will occupy much of the area under the high steel foundation. Its installation began this month (February). Other major components for the unit are on site and erection of the turbine will begin in April.

The first Sundance unit is scheduled for operation early in 1971 and some of this year's construction program includes

preliminary preparation for a second 300 mw. unit which could be commissioned by 1973.

Work will also continue on development of the new strip coal mine which will supply fuel for the Sundance plant. Consumption of coal is expected to increase from about one million tons of coal during the first year of operation to around six million tons when the plant is fully developed.

Reeve Outlines County System at Millbank Meeting

About twenty members of the Millbank F. U. A. were present at a meeting in the hall Saturday evening to hear Reeve Rudolph Zander of the County of Parkland explain the workings of the County system.

Education appeared to be of primary interest to those present and Mr. Zander answered a number of questions on the subject. The status of the proposed regional high school at Evansburg, planned by the former Stony Plain School Division and the Edson School Division, is unknown at present and a plebiscite is thought likely to eventually decide the future of the proposal.

He stated that a survey by the department of Education had been undertaken to determine the feasibility of the Vocational High School at Drayton Valley to serve the western side of Parkland County and possibly portions of the west end of Leduc County.

Mr. Zander stated that greater multi-use of the \$7 million dollars worth of school buildings in the county is likely in the future. He suggested that school buildings should be made available to a larger extent for adult and community activities at minimal cost.

Road construction and maintenance were also interesting points for the meeting and in this regard Mr. Zander stated that the county hoped to gravel every road in the municipal unit every third year.

He was asked about completion of roadwork started in ID77 before annexation and replied that as far as possible all such project would be completed. Several persons asked about particular roads and proposed roads and Mr. Zander offered to come out again and look at the locations.

Fire protection in the area was

discussed and Reeve Zander told the meeting about the County's plan to station a truck at Drayton Valley. Residents could then call the nearest fire engine for help in emergencies without any cost to the ratepayer for actual fire calls.

He also reviewed the meeting between County of Parkland representatives and the Drayton Valley Town Council at which it was decided to seek enlargement of the Drayton Valley Hospital District to cover all of Divisions 5, 6 and 7 of the county and to endeavor to set up a recreation program to cover the same area.

In regard to county newspaper circulation he stated that The Western Review would be sent to ratepayers in Divisions 5, 6 and 7 until the end of March at which time subscriptions to the Stony Plain Reporter expire for the areas in those divisions that were formerly a part of Stony Plain M.D. By that time the County hoped to have a clearer picture of which paper residents in the three divisions wished to receive by county subscription and a dividing line between the two papers could then be established.

Local Legion Rink Edged in Final

The Drayton Valley Legion rink of Adrien Meier, Wally Peters, Adam Muzylowski and Ken Shepherd, was the runner-up in the District 2 play-off at Westlock Sunday. The Meier rink, representing Zone 2, lost out in the final game to the Kingsway Legion entry, with the last rock deciding the game.

The Kingsway rink now advances to the Provincial final.

Train Derailed at Entwistle Saturday

Seventeen cars of an eastbound CNR freight train were derailed and scattered along the right-of-way at Entwistle Saturday morning.

The mishap occurred at about 10:30 a.m. at the highway overpass into the Village of Entwistle.

Men and equipment were rushed to the scene and the track restored to allow the first train through on the CNR mainline to Jasper late Saturday evening. Early this week crews were still at work at the scene of the derailment.

Delegate Reports on Auxiliary Hospital District

Town Secretary-Treasurer Bill Johannesson reported at a recent meeting of Town Council on the annual meeting of the Edmonton and Rural Auxiliary Hospital and Nursing Home District No. 24 of which Drayton Valley is a member. Other municipalities in this area also represented at the meeting were County of Parkland, Entwistle and Seba Beach.

Auxiliary hospitals are described as half-way houses and provide facilities for patients who need more medical treatment than is available in a nursing home and help to relieve the pressure on active treatment hospitals.

Mr. Johannesson noted that discussions indicated the necessity of more auxiliary hospitals and nursing homes. However, private enterprise has lost interest in construction of nursing homes be-

cause the 75 bed -- plus or minus -- type of nursing home is not sufficiently economical to make it worthwhile for investment. The field now is generally entered only by charitable and fraternal organizations.

Drayton Valley was suggested as a suitable site for a nursing home and the Executive Director Dr. D.R. Easton agreed and also pointed out that a program of investigation had been carried out in the area a few years ago by the Norwood Auxiliary Hospital personnel and a private company. He said that if some organization or the Municipal Corporation was interested in promoting and developing a nursing home in the area there would be no question of support from the board -- all other things being consistent with such projects.

WEEKLY NEWS

EDMONTON -- A change in weather is hoped to help solve the problem of grain movement to the West Coast and CNR officials have indicated that the size of trains would be increased to more than double the number of cars hauled during the extreme cold of the past month.

TABER -- A variety of undertakings are underway here to raise funds to rebuild the Civic Centre destroyed by fire recently. The building fund, now nearing \$11,000, will be bolstered by many upcoming events including a walk-a-thon and the proceeds from one day's operation of a town pool hall.

LONDON, England -- Boris Karloff, 81, who found fame in monster movies died Sunday. The role of Frankenstein's Monster launched him on his unusual career.

NORDEGG -- Ermineskin Indians who broke away from the Hoberma Reserve to make a new home on the Kootenay Plains, now have a break-away band within the break-away. About half of the original band have split off to set up a new camp claiming to many restrictions under Chief Smallboy's leadership.

WHITECOURT -- A fire Saturday, January 25th completely demolished the \$20,000 building of Trigon Construction. All office records, many thousands of dollars worth of tools and equipment, two D-7 bulldozers, four welders and two trucks were included in the fire loss which is expected to run into six figures.

LEDUC -- The population of this community has increased by 199 persons to reach 3,331 according to the recent census.

EDSON -- In spite of the very cold weather ever since the Silver Summit Ski area was opened the instructors at the ski school have been increasingly busy. Over 250 skiers were out on a recent weekend to try out the recently opened slopes.

BASSANO -- First gopher of the season has been reported from the Duck Lake area where he was observed numbly surveying the 40 below zero scene from a roadside snowdrift.

Fearless Forecaster

Groundhog Predicts Winter To Linger On

Six more weeks of winter are apparently in store for Albertans who just finished shivering through a record-breaking January.

The legendary groundhog, who has been a part of the weather forecasting system since 1871, must have seen his shadow on the beautiful, sunny day we enjoyed Sunday.

And, according to the story, if the groundhog sees his shadow on February 2nd he heads back down his burrow for another six weeks of sleep while the people on top make the best of what's ahead.

Rebels End Losing Streak With 5-1 Win Over Huskies

The Drayton Valley Rebels finally ended their losing streak by defeating Fort Sask Huskies 5-1 last Saturday night. They have made two line changes that are proving to be good moves. Rod Colbert and Barry Solnes have been brought up to the forward line from defence and Al Hopfe and Wayne Garding have been moved back to the rear guard positions. They have been playing very well on defence as they both have good size and the ability to bring the puck out of their own end.

On Tuesday, January 28th, the Rebels were defeated by Camrose 4-2. Goal getters for Camrose were Kinnee, MacLean, Gumpinger and Dilworth. Ron Hemmingway and Dan Davie replied for the Rebels. Camrose scored the first goal while they were short handed in the first period. They went ahead 2-0 on MacLean's goal in the second period and then scored a power play goal with Novacel off for elbowing. Both Rebel goals were power play goals with Ness, Novacel and Garding drawing assists.

Over the weekend the Fort Sask Huskies were here for a two game series. Rebels won the first game 5-1 and were defeated 3-2 on Sunday.

In Saturday's game Dan Davie

scored a hat trick to lead the Rebels to their win. He is the second Rebel to perform this feat. Frank Novacel got a hat trick against Camrose on December 17th.

Davie opened the scoring on a pass from Ness. The puck deflected off a Huskie defenceman, the last man back, and Davie broke in all alone and beat Turner with a wrist shot. Then Colbert scored a pretty goal when he picked up a rink-wide Hemmingway pass just over the Huskie blue line, swept across the front of the net and put the puck in behind the goaltender. Colbert showed a great burst of speed to get that goal and Wayne Garding drew an assist as well as Hemmingway.

Then in the second period Hemmingway passed the puck back to the point to Ken Machan. Machan skated toward the net and drilled a low shot that was deflected in by Frank Novacel. Davie scored also, his second goal on a break away when Ness fed him a pass just over the Rebel blue line and catching the Huskies during a line change he broke in, checked Turner, went around and put the puck in behind him.

Davie completed the Rebel scoring when he got a centering

pass from Gary Pankewicz in the Huskies corner and beat Turner for his third goal. Barry Pankewicz made many great saves in his attempt to get a shut out but Ron Shillington scored at the 18:13 mark of the third period to spoil it. Dan Davie was chosen first star, Barry Pankewicz second for his outstanding game in the nets and Ron Shillington third star for the Huskies.

On Sunday the Huskies played a much better game and a crowd of over 500 saw a close game.

Al Hopfe scored first on a strong burst of speed when he knocked down a Huskie pass at centre and went in all alone to beat Turner.

Then Barry Ness tucked the puck under the Huskie goaltender when he got the puck from Gary Pankewicz right from a face off to the left of the nets. The Huskies came back with a goal at the close of the first period from Butch Thomlinson. In the second period Ken Swanson and Gary MacIntyre scored for the Huskies to put them ahead 3-2 and keep them there.

Both games featured hard checking and players from both teams went home knowing they had been in a hockey game with their bruises there to remind them. Al Hopfe picked up the first star, MacIntyre 2nd for the Huskies and Rod Colbert 3rd star for the Rebels.

The Rebels have three more regular league games to play before playoff's get underway. They travel to Wetaskiwin on Thursday, host Stettler on Saturday and journey to Fort Sask for their final game on Sunday.

F.G.A. Trophies Presented

Trophies for big game animals, fish and birds were presented at the regular meeting of the Pembina Oilfield Fish and Game Association last Thursday evening. Above are Dr. Don Kreycik (L) winner of the moose trophy and Jim Wensley, elk.

COUNCIL BRIEFS

Prior to meeting representatives of the County of Parkland at the last regular meeting of Town Council a brief business session was held, summarized as follows:

Council appointed White, Trott and White as town solicitors for 1969.

A letter from Field Services of the Department of Municipal Affairs was made acknowledging receipt of the town's bill of account for their share of the operation and maintenance of the arena.

A Court of Revision will sit in February with the following members: Marvin Helm, William Rose, Norman Swendeid, Ronald

Smith and Mayor Henry Shim-bashi.

Council authorized the housing of a County of Parkland fire truck here to be maintained and operated by the Town of Drayton Valley at the fee established for similar service elsewhere in the county.

Council also tentatively authorized selling vacant suitable lots to the county for a site for public works shop, storage building and general maintenance area.

School to Open At Wetaskiwin

Official opening of the Lynn-Lauren School for Retarded will take place at Wetaskiwin on Wednesday, February 19th. Open house will be held from 2:00 to 4:00 p.m. and the official opening ceremony at 8:00 p.m.

EDITORIAL COMMENT

The Family Farm Must Remain A Part of Rural Life

The fate of the family farm has been the subject of considerable speculation in recent days with a number of sources writing them out of existence in the future.

We don't believe it will happen and don't think it should be allowed to happen. The family farm is a vital part of rural Alberta (or Canada) and a part that must be encouraged to prosper to extend some sort of balance between already overcrowded cities and underpopulated rural areas.

Possibly the family farm will become extinct if we continue along the same old road with the farmer paying more and more for everything he consumes and uses in producing a crop for which he receives the same amount or fewer dollars than he did in the past. Certainly the family farm will go out of existence under these conditions -- as would any other business.

However, the industries that process farm products are not restricted by any such limitations -- they manage to increase prices to consumers at regular intervals without passing any of the increase back to the original producer. Why some portion of the increase does not return to the producer is beyond us -- if the processors' costs are increasing it must also be apparent that the farmers' costs are going up too.

Economists can talk forever about increasing efficiency but dollars and cents would talk a lot louder. Give the farmer a respectable price for his product and the economists need worry no longer about efficiency. It is already an important consideration by most farmers and would be increased amazingly by others just as soon as its value became apparent.

We believe that much can be done to preserve the rural way of life at the same time little is being done. It is a problem that must be tackled by all levels of government in co-operation with farm associations. It is a problem that can and must be solved to retain this way of life for people who value independence and who have chosen rural living in preference to the concrete canyons of the city.

ACROSS THE EDITOR'S DESK . . .

Two Heads Better Than One?

An item of interest that crossed our desk recently was an account of the discovery last summer of the fossilized bones of the most intelligent dinosaur that ever lived.

In as much as the dinosaur family didn't have a great deal in the way of brain power and the last in line kicked up his heels some 60 million years ago, you wouldn't expect this little news squib to attract much attention.

It wouldn't, I suppose, unless it just happened that the editor checking the mail is one of the unusual breed who enjoys grubbing around the bottom of gravel pits and along river banks in search of bones and other rock treasures. And he does.

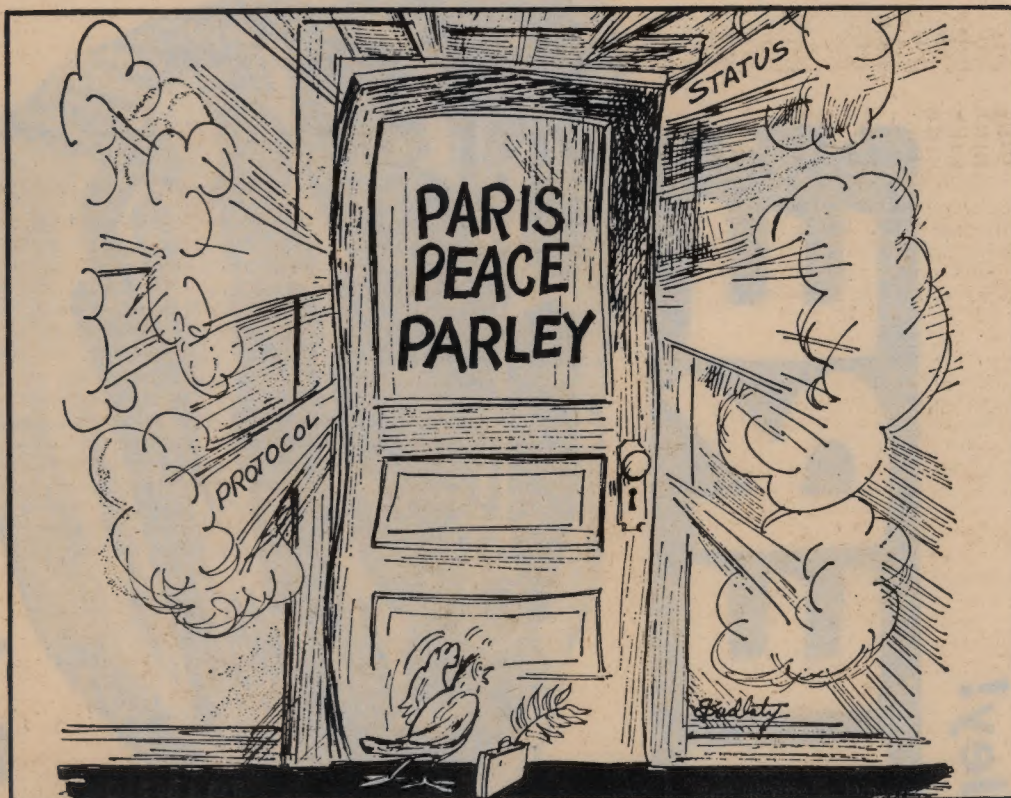

The meat of the story comes later in revealing that the eight-foot Sauromithoides had a brain capacity seven times larger than any other reptile of comparable body weight. This gave him reasoning power some-

what less than a dog.

But it doesn't say much for the eighty-foot monsters who possessed tiny brains in relation to their bulk. Their stupidity and inability to adapt to climatic and other changes probably helped them on the way to extinction. Even with his superior intelligence Sauromithoides faded away with his bigger brothers.

The mentality of the big thunderers might have been small but he was unique in possessing what could pass for two brains. The brain in his head was over-taxed just looking after the front portion of the critter, so nature endowed him with a second brain, or ganglia, located at the hips, that kept the stem moving in conjunction with the front.

After what happened to the poor old dinosaurs, two brains and all, it makes you wonder about that stuff about "two heads being better than one."

"HEY! Let Me In!"

Report From Parliament Hill

By Allen Sulatycky, M.P.

Finance Minister Benson had some good news on January 30th for those many people who had expressed concern over the Estate Tax Act changes proposed in the Budget of October 22nd.

The good news came as Mr. Benson tabled in the House of Commons a notice of motion preceding a Bill to amend the Estate Tax Act and the provisions of the Income Tax Act dealing with gift tax.

Most of the motion is identical to the October 22nd, 1968 budget resolutions but there are some modifications.

The budget proposed to exempt from tax outright gifts and bequests from husband to wife and wife to husband. It also proposed to increase the estate tax exemptions for young children and to provide exemptions for older children. To offset revenue losses from these broader exemptions, the estate and gift tax rates were to be increased.

The modifications to the October proposals reflect the Government's response to representations made by Canadians to the Minister, both directly and through their Members of Parlia-

ment.

Many constituents had written me regarding their views on the possible effects of the October 22nd proposals. Indeed, I am sure that it is a rare Member of Parliament who did not receive a complaint or more about the proposals. These complaints were brought to the attention of the Minister by Members at the Government Caucus and during special meetings with the Minister held for that purpose.

The result is legislation which is much more acceptable.

The changes provide for restoration of the rule that estate tax will not be payable by estates of \$50,000 or less; for the right to pay estate taxes in instalments at the option of the taxpayer; for the right to use the old estate exemptions until July 31st, 1969, if they are larger than the new exemptions; and for application of the \$2,000 gift tax exemption to gifts to certain trusts.

Estates of \$50,000 or less will not be taxed. This restores a provision of the Estate Tax Act prior to October 22nd, 1968, and replaces the budget's proposal that estates of \$20,000 or under would not be taxed.

This will mean, for example, that a small estate left by a brother to his sister, or by a grandfather to his grandchildren will not be subject to estate tax.

The provision will not affect large estates.

A new provision permits payment of estate taxes in up to six annual instalments. Interest will be charged on the deferred amount at a rate to be set by regulation. Under the old provision, the Minister of National Revenue had the power to postpone payment in cases of hardship. This provision will remain but the new provision will make instalments available as a matter of right.

There are other beneficial modifications, too numerous to discuss here. All in all, a more reasonable situation will now prevail insofar as Estate Tax is concerned.

Letters to the Editor

The Editor,
The Western Review,
Drayton Valley.

Dear Sir:

It took all kinds of scientists to prepare the Apollo 8 for the moon, and it took courageous men to go on the first trip around the moon.

But it takes devoted people who will confess their dependence on God and their belief in His work and broadcast it from the moon to the earth.

They prayed and read the Bible while millions of earth people listened.

We know that it is not easy and that not all people in the U.S.A. agree with this.

Mrs. Madalyn Murray O'Hair didn't like it the least bit. Having gotten the Bible reading and prayer out of the public school, she now finds it coming at her from more than 200,000 miles away. Presently she started a campaign to register her complaint. I admire the people who had the courage to express their conviction and dependence in a world where atheism is increasing and where governments are turning away from God.

If you feel like I do, to express your feeling in a letter of commendation, write to:

Colonel Frank Borman,
Captain James A. Lovell Jr.
Major William A. Anders
C/o National Aeronautics
and Space Administration,
Washington DC 20546

Kees Krabbe
Drayton Valley

WEEKLY VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association.

THE TEMPLE OR CHURCH

BY FATHER E. LYNCH

Are you a Church-goer? Or are you one who believes that the only time you need church is at baptism, marriage or a funeral?

The laying up of stones does not make the temple or the church. In ancient persecution times, Christians worshipped in their homes. After the persecutions, they were given large covered halls called temples (basilicas of churches.)

In most religions, temples were built to give the gods a home where they could be worshipped. The Old Testament stresses this fact as one of its main points.

The presence of God was climaxed in the temple of Jerusalem. When it was destroyed, the people continued to hear from the prophets that God was still present. There would be a new temple, Christians, and the church building is the sacred place where Christians worship God in the way established by our Lord himself. This building

should be a dignified structure to contain the worshipping community and it should radiate with the love of God and of the brotherhood of man.

In Luke 2:22-32, Christ was brought by our Lady and St. Joseph to the holy temple. By their example, they showed that parents and their children should be present at the worship services. After the time of Christ, the Church and the Christian became the new temples, because God dwells in them. This continues to ensure the presence of the Lord in the world. These Christians met regularly and joyfully worshipped the Father - praising and thanking Him for His many blessings. We in Drayton Valley do likewise today. This worship will go on until the day when Christ will come in the fullness of His glory (Revelations 21:22).

The wise man will think about this; the other man will turn the page...

Hong Kong Visitor Enjoys Canada ... Except January Weather

We feel honored to have had a visit again from Mr. Chiu Ding from Hong Kong. This was his second visit to Drayton Valley within the past month. The story behind the visit and also his background, are indeed most interesting.

It seems that the Chius wished their son Michael to be a medical doctor, and being unable to get him into the Hong Kong University, which is very overcrowded, they decided to send him to another part of the Commonwealth that might receive him in a friendly magnet, so that

Michael's time away from home would not be too upsetting either to parents or to Michael.

Firstly, they decided against sending their son to any of the larger Universities for his first year, and scanned Canadian and American literature for smaller accredited colleges. In considering those in the U.S., they decided that too much strife appeared to prevail, and they were uncertain how a Chinese youth might fare in a nation where color seemed to play such a frightening role.

Canada was chosen. Then

Canada started her postal strike. All the applications and queries sent out did not bring any answers. Time began to run short. The Chius started sending cables. The first answer was from the Camrose Lutheran College and Michael was immediately enrolled. So Michael was sent to Alberta.

But the Chinese are a very close-knit family group, and very soon Mr. Chiu started to try to find some pretext to visit his son, who by this time had informed his parents that the Canadians had accepted him like a brother.

Mr. Chiu is an exporter and importer in Hong Kong and has dealings all over the world. It was not too difficult to decide that a business trip to Canada and the United States was necessary. By New Years Eve he arrived in Vancouver and phoned his son Michael, who by this time was holidaying in Drayton Valley. And so Mr. Chiu was picked up and brought here for his first visit. After visiting Camrose, Toronto, Chicago, and New York for his business, he again returned to Drayton Valley last week, and although he was most impressed with the friendliness shown him all over Canada in particular, he was most pleased with the great and genuine friendship shown him in Drayton Valley by all whom he met.

While here he was hosted by the Rotary Club, shown Canadian skiing facilities, visited Canadian ice fishing, and taken sight-seeing around the Drayton Valley area.

Mr. Chiu is a Chinese University graduate in agriculture. His grandfather ran and owned a large tea plantation in Yun Nan province, which had belonged to the Chiu family for generations, and was taken over eventually by the Communist government.

His father-in-law was Governor Tung Gui Yau, governor of Yun Nan province about 45 years ago, under Dr. Sun Yat Sen, first provisional president of China. Chiu Ding's father was Chiu Yeu Sun, a general under Governor Tung Gui Yau.

Chiu Ding nostalgically remembers the days of his youth on their large estate in Shum Ling District (along with 127 other relatives who inhabited the same estate, as was their custom in those days). He attests for the general happiness that existed for both servants and masters in China as it existed then.

The Chius have interests in six Hong Kong factories and hope to extend their operation with import-export facilities in North America. From Drayton Valley he will go to spend a few more days in Camrose, then to Los Angeles before returning to Hong Kong.

His comment, "everything was just marvelous and beautiful in Canada, except the weather." So from here it's to the floods in California.

MAGNOLIA NEWS

MRS. W. E. CAMPBELL
Correspondent

A 50th anniversary party was held for Mr. and Mrs. Lukaniuk at the home of their daughter and son-in-law, Eric and Zeens Anderson of Edmonton. The party was held on Saturday, January 25th. Those of their children who were able to attend were Bill and Evelyn Lukaniuk and family of Tomahawk and August and Mary Reich and girls of Magnolia.

The Community Club directors held a meeting at the Allen Walker home on January 20th. It was decided that Mr. Moore, the recreation superintendent for Parkland County, be asked if he would attend a community meeting in the hall in the near future. If he agrees to come, everyone will be invited to attend.

Congratulations are extended to Terry and Pat Brydges from the community on the safe ar-

rival of their infant son. The baby, born on January 25th, in the Stony Plain hospital, weighed 6 pounds, 2 ounces. Mother and son are reported in favorable condition. The happy grandparents are Mr. and Mrs. Bob McCracken of Magnolia and Mr. and Mrs. Howard Brydges of Tomahawk.

Birthday greetings to one of our pioneers, Mr. Fritz Gylander, from the folks back home Mr. Gylander celebrates his birthday on February 4th. He now resides in the Lutheran Nursing Home in Stony Plain. We hope you have a good day.

Sympathy of the district is extended to Leo Saretsky whose brother passed away in Ontario this week.

Larry Walker has secured work at Edson on a pipe-line.

A speedy recovery is wished to a former Magnolia resident, Mrs. Emie Williams, who is in the Stony Plain Hospital for surgery. Cecil and Marie June visited with Jessie on Saturday, January 25th.

Folks will be pleased to know that Jack and Vera Balfour's baby granddaughter, Dalene Roth is progressing very well.

Sunday visitors at the N. R. Gylander home were Eleanor, Olive and Bill Clarke and their sons.

On Friday, January 24th, Betty McDougall and Marie June drove to the Storms residence to help Della decorate Miss Connie Walker's wedding cake. These three ladies have decorated several other wedding cakes and make a lovely job of ornamenting a cake. Mrs. Brenda Walker and Miss Connie Walker, the bride-elect, arrived to watch the decorating being done.

DON POTTER

EXECUTIVE ASSISTANT APPOINTED

The Hon. H. A. Ruste, Alberta's Minister of Agriculture and Minister of Lands and Forests, has announced the appointment of N. A. Don Potter as his executive assistant.

Mr. Potter is well known throughout Alberta as the commentator on the Alberta Department of Agriculture's farm broadcast "Call of the Land". "Call of the Land" is heard daily on ten radio stations in Alberta and one in British Columbia.

A 1957 graduate from the University of Alberta with a Bachelor of Science in Agriculture, Mr. Potter obtained his high school education at Eastwood in Edmonton.

The Busiest Busybody

He's no snooper, but there's a man who knows a lot about when your wife cooks your morning bacon and eggs.

He also knows about other housekeeping habits - such as when your wife does the laundry or turns up the heat.

He knows this because it's his job to see that the gas for your burners - transported sometimes hundreds of miles from production fields - is ready before your appliance is turned on.

The man who knows isn't really a busybody. He's a highly trained man in charge of obtaining huge quantities of gas from many sources. He must direct its flow through hundreds of miles of pipelines to communities throughout Alberta.

He, and other "dispatchers" like him at key positions on Alberta's gas transmission systems, must see that thousands of gas customers get all the gas they want - regardless of the amount, the time or weather.

To accomplish this, he estimates the demand for gas and the time it is needed in each community. Then he issues orders to maintain just the right gas pressures to deliver the right amount of gas to each community.

To help with his job, the chief has a crew of highly trained assistants.

They keep in constant touch with gas sources in the production fields, the company's compressor stations, points of delivery, underground storage fields, weather stations, regulator stations and customers.

It's a 24-hour-a-day job. Nights, weekends and holidays, trained men are on the job to provide natural gas. And each man has the ability to act in an emergency.

So you can see why the chief dispatcher knows a lot about your household habits. Because he knows just how much gas you need - and when you need it. You can count on natural gas for round-the-clock, round-the-year service.

Natural Gas

Mrs. Peter Crawford of Tomahawk who was honored recently on her 90th birthday.

TOMAHAWK NEWS

MRS. FINLEY SHAW Correspondent

Mrs. Peter Crawford, (oldest pioneer of the Tomahawk district), was honoured on the occasion of her 90th birthday with a gathering of family and friends. She was presented with a beautiful bouquet of mixed flowers and a lovely cake.

Mrs. Crawford came from Glasgow, Scotland in 1913 and has resided in the Tomahawk area ever since -- a period of 56 years.

She has six children, William and Robert of Duffield; Peter, Jim and Betty of Tomahawk; and Mrs. M. Macalvey of Fairview, also 4 grandchildren. All were present to wish her well.

An interesting highlight of the party was that her youngest granddaughter, Miss Patricia Crawford also celebrated her birthday on the same day.

Mrs. Lloyd Remus and daughter Lynn (formerly of Drayton Valley who for the past three months have been staying with her parents Mr. and Mrs. James Shaw of Tomahawk, left for Grande Prairie on Wednesday morning. She is joining her husband who has been stationed there. Best wishes go with her from her friends here.

The Tomahawk Totems continued their winning streak by defeating the Drayton Valley Elks on January 27th, by a score of 7-3. Goals were scored by Gordon Reich 2, Elmer Zander 2, Pat McKay 2 and Chris Burke 1. Jay Meraw was the lone scorer for the Elks.

The Tomahawk Rockets were not so fortunate as they dropped their game with the D. V. Rotarians 6-0.

Winners of the men's 3 day curling event were as follows: Jerry Jones of Warburg, and his team Les Szepesi, Frank Szepesi and Maurice Berry. Second place winners were Ted Reich, Stanley Zaniewicz, Gary Schoep and Larry Schlickemayer, all of Tomahawk. First place winners in the second event were Walter Medd, Herman Steinke, Gordon Engstrom, David Jouan also of Tomahawk. In second place was Glen Buckler, Walter Sweet, Julius Repchinski and Harold Bainman all of Evansburg. First

Plan Course For Applicators

The second Pesticide Applicators Training Course will be held at the Agricultural and Vocational College at Olds, Alberta, March 24th to April 2nd.

Besides providing up-to-date information for pesticide applicators, the course will provide the final (laboratory) section of the home study course offered by the Department of Extension, University of Alberta. It will also assist persons to become qualified for a license as a pesticide applicator.

For more information, contact W.J. Collin, Coordinator of Agricultural Education, 701 Agriculture Building, Edmonton 6, Alberta, or B.J. Godwin, Agricultural and Vocational College, Olds, Alberta.

HEALTH UNIT NOTES

Dear Friends,

Thank you for your many phone calls of appreciation for the previous articles on communicable diseases.

We will be presenting, in the next few weekly editions, a brief resume of our work here in the Public Health Unit.

PURPOSE: The Health Unit function is prevention and health education.

It's interest in preventing disease at source involves it with water supplies, sanitation, sewage disposal, food processing and helping healthy people of all ages to stay healthy. Immunization, baby care, and health advice are all part of a service provided for people with nothing wrong with them - and interested in staying that way. Health Units work WITH doctors and not INSTEAD of them.

1. Pre-natal instruction: Advice is given on childbirth, hygiene, dental care, nutrition, health and labour preparation exercises. Ladies are referred by their doctor. (Our next classes will be commencing in early March, 1969).

2. New mothers are visited in the hospital.

3. Post natal: Home visits are made by the nurses of the Unit to check mother's health, advise on any baby problems, measure weight gain, and do a 'PKU' diaper test.

4. Well Baby Clinics: Provide mothers with guidance and help in promoting the health of their young children. They are held every Wednesday in the Drayton Valley Health Unit (phone 542-3842 for an appointment), the second Thursday of every month in Evansburg, and the first Tuesday of every month in Lodgepole.

5. Immunization: Protection is available against smallpox, diphtheria, whooping-cough, tetanus, measles and polio.

6. Tuberculin testing: Heaf testing for tuberculosis is part of the Health Unit's school program, as well as for adult contacts, 'NAIT' students, food handlers, etc... Positive reactors are referred for X-rays.

7. School programs:
a) Immunization: Boosters are given in order to maintain protection rates against Diphtheria, Tetanus, Polio and Smallpox, as required. Consent, given by parent or guardian, is essential.

b) Vision and Hearing Screening: This is done routinely in specified grades and when requested by the teacher.

c) Consultation with school

teachers and principals regarding the health of individual children, school programs and health education.

d) Mental Hygiene: Referral to a Provincial Guidance Clinic if required, by referral from the family doctor, from the teacher or by the Health Unit staff. The Guidance Clinic is for educational assessment and for advice and assistance in the management of behavioral and emotional difficulties.

8. Vaccine and Serum Depots are provided by Health Units. They are the storage and distribution point for some of the area's immunization supplies as well as for their own use.

9. Quarantine advice: Concerning isolation, treatment and prevention of infection is available on enquiry at the Health Unit, and, through its services, the facilities of the Provincial Laboratory.

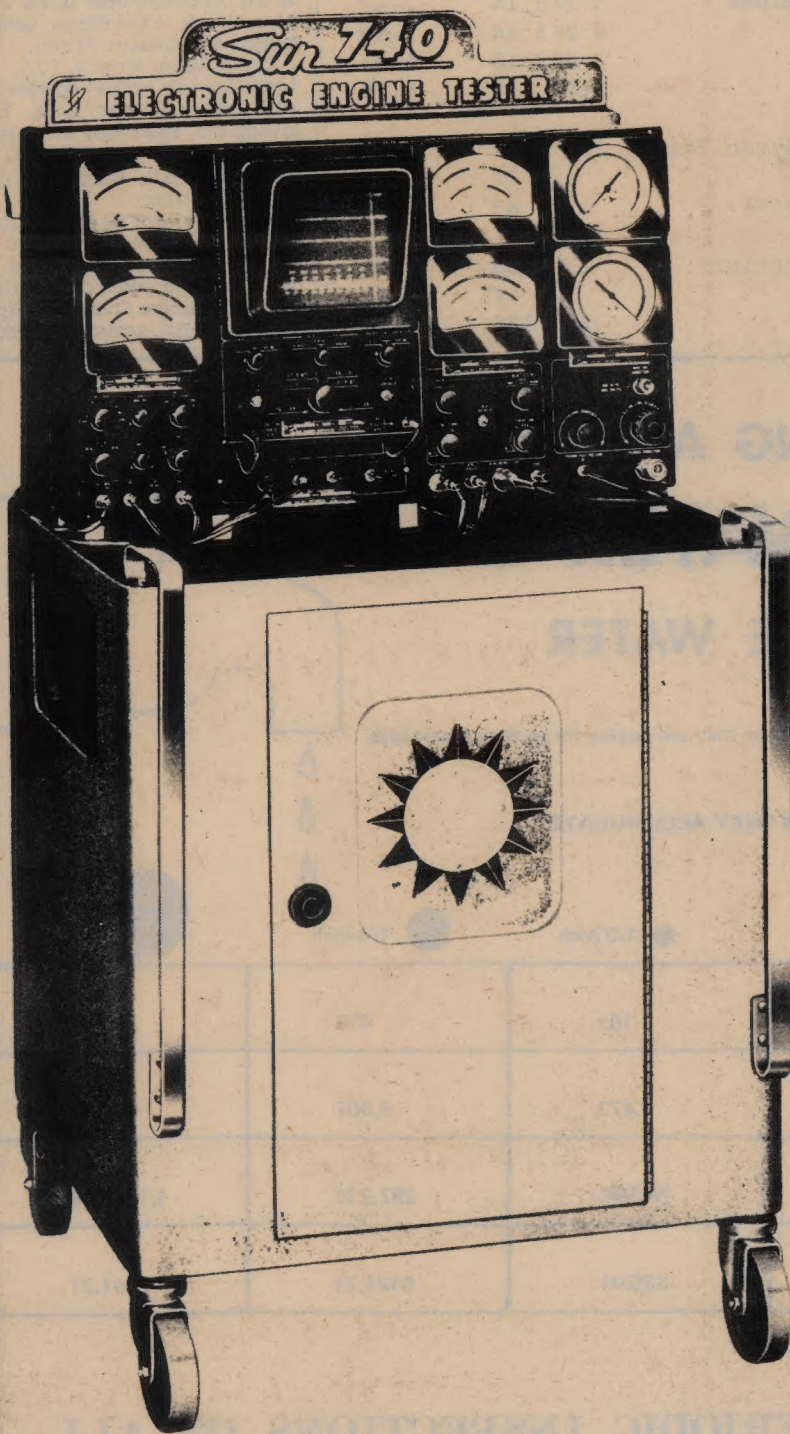

10. Sanitary Inspections: are carried out by the Unit's Public Health Inspector on sewage and garbage disposal, water and milk supplies, meat and other foods, restaurant and food processing operations.

Ice can be hazardous. Do not operate a snowmobile on frozen lakes or rivers without first checking ice thickness and having an intimate knowledge of water currents.

Just installed . . . a new Sun 740

ELECTRONIC ENGINE TESTER

Designed to give you a fast, accurate diagnosis of automotive troubles. The most modern engine tester available for complete automotive diagnostic service.

For fast diagnosis of:

- COMPLETE IGNITION SYSTEM
- CARBURETOR SYSTEM
- CYLINDER CONDITION
- CHARGING SYSTEM
- STARTING SYSTEM
- COIL CONDITION
- CONDENSER
- SPARK TIMING
- IGNITION POINT DWELL
- ENGINE VACUUM
- EXHAUST EMISSION
- CYLINDER LEAKAGE
- CIRCUIT RESISTANCE

Shown here is Steve Krawcnuk, who along with Roy Andreson, have taken special training in the operation of the Sun 740 and are prepared to offer motorists fast, efficient automotive trouble shooting.

ALDER FLATS NEWS

MRS. B. JOHNSON
Correspondent

The ladies had a successful bonspiel last weekend, playing off some of the games on Thursday and Friday evenings and finishing the 'spiel on Sunday. Thirteen teams were entered. Winning first in the first event was the Les Morton rink from the Great Plains development, and received curling trays. Playing third for Les was Ev Howatt, second Peggy Lindholm, lead Ann Ceh. Second in the first event was the Betty Bohning rink from Buck Lake, they received jewelled travel alarm clocks. Third was played by Nora Dawson, second Bev. Siegel, lead Verna Brown. Receiving chrome cream and sugar sets for third place in the event were Cecile Wennerstrom skip, Lillian Zingle third, Lana Blades second and Doris Maciborsky lead. The chrome Bon Bon dish for fourth place went to Annie Capaniuk as skip, third Doris Larson, second Linda Moore, lead Sheila Hammond. Second event winners were: In first place the Alta Anderson team from Buck Lake playing third for Alta was Audrey Rainer, second Gwen Parker, lead Mavis Patten. They received a chrome lazy susan. Placing second and receiving decorative thermometers the Shirley Schenk rink from Buck Lake, third Brenda Stewart, second Gaylene Schenk, lead Pearl Schenk. Third place winners of chrome tid bit trays were Florence Woodward skip, Isabelle Willows third, Shirley Long second, Clarice Carter lead. Fourth place winners of a set of bowls was the Joyce Hayduk rink Lorraine Moore played third, Verle Sluchinski second and Elsie Seely lead. First team out and recipients of the decorated beer steins were Edna Wasyk, Vera Brzus, Leopal Larson and Geneva Patten. The Western West A.T.A. Local held its annual bonspiel on Saturday, January 25th. Following the 'spiel they all enjoyed a delicious pot luck supper at the Legion Hall. Winners in the two events were: In the first event, skip Ken Hayduk, with Anne Olsen, Malvin Fontaine and Elizabeth Farrel. Second place winners were skip Ray Garentine, Margie Fontaine, Sig Larsen and Jill Armstrong. Sec-

ond Event winners were: Skip Alex Danyluk with Lorraine Moore, Sharon Kellgren and Vin Farrel. second place winners were skip Arnold Schmidt with Lyn Ollenberger, Dwayne Tugwell and Ann Fontaine.

Congratulations to the Scotty Hare rink who came home from the Breton men's open bonspiel with beautiful cuckoo clocks they won taking second in the first event. On the team were skip Donnie Maciborsky, third Scotty Hare, second Dave Beatty and lead Hi Bolander.

Dennis Maciborsky skipped a team in the High School Zone play downs at Leduc last weekend winning the B event and losing out in the final. Curlers on the team with Dennis were Joe Mills third, Byron Larson second, and Robbie Bohning lead.

The Wayne Linnenbergs moved to Red Deer the first part of January where Wayne is employed with an Insurance agency. The ladies out here will sure miss their hair dresser.

Mr. and Mrs. Morris Dunn and family took in the Ice Capades last weekend in Edmonton. Mrs. Sara Dunn returned home with them.

Rocky Mountain House Braves defeated our team in the hockey game at Rocky last Monday night.

Incidentally Doris Tugwell's name was drawn for the box of chocolates at Christmas from the Mountain View store.

Harold Johnson of Wabasca spent a couple of days at his home this week.

The Home and School meeting was cancelled in January due to the cold weather.

Congratulations to the Leigh Millers on the birth of a son at the Drayton Valley Hospital.

District Home Economists Conference Highlights and Home Building School.

Building School - Well, in spite of the cold weather, our home building school in Fort Saskatchewan was rather well attended. Eight couples from the surrounding area attended. One couple travelled out from Edmonton as well.

Aspirin - In consumer buyman-ship programs, we've often encouraged women to purchase A.S.A. tablets instead of the more expensive brand name aspirins.

One of the things that people would say to me is "Oh, but they're not as good," or "You have to take twice as many."

Well, I checked with Dr. Newton here at the health unit and he says this just isn't so. They're all 5 grains and consequently, of the same strength. The only difference is that some A.S.A. tablets do not dissolve so quickly so that relief may be delayed a few minutes.

One bottle of A.S.A. tablets that he showed me had 500 tablets for \$1.59. Just try comparing that with a national brand name next time you shop.

Cold Water Soap - When I was in Drayton Valley, at our sewing course, more than one lady asked me about these new detergents.

The advantages are that shrinkage, and fading are lessened and ironing is reduced. Cold water would give a better job with woollens, too. They do contain a germ killing agent as well.

So, where hot water supply is limited, you might consider one of these detergents but compare price.

Be ice-safety conscious! Remember, on some of the larger lakes, cracks can open up without warning making the ice conditions extremely dangerous.

Few people realize the amount of waste water they are paying for in their water bills due to defective and leaking fixtures.

DRAYTON VALLEY WATER DEPARTMENT

Shown above receiving certificates for donating twenty pints of blood are, (left to right) Lyn Johnson, Mrs. Kathy Bright and Ed Rosentreader.

Mrs. Peggy McKillop is shown above left accepting her certificate for five years service from Branch President Peggy Tyler.

Annual Meeting of Red Cross Branch

The annual meeting of the Drayton Valley Red Cross was held on Thursday, January 30th.

The highlight of the meeting was the presentation of several awards. Mr. E. Rosentreader, Mrs. K. Bright and Mr. L. Johnson were given certificates in recognition of having given 20 pints of blood at Red Cross blood donor clinics. Mrs. McKillop, the capable chairman of the blood donor clinics, was awarded

with a certificate of merit in recognition of the fact that she has worked for over 5 years for the Red Cross. Mrs. Pickup who was unable to be present at the meeting received the badge of service in recognition of more than 10 years continuous service with the Red Cross. Mrs. Pickup is disaster chairman for the Drayton Valley area and she sees that any family losing their belongings in a house fire receives

help from the Red Cross. On the average Mrs. Pickup answers four to five calls a year for help.

The officers for the coming year will be: President, Mrs. P. Tyler; Vice-President, Mr. E. Rosentreader; Treasurer, Mrs. P. Innis; Secretary, Mrs. E. Williams; Campaign Chairman, Mrs. G. Towes; Blood Donor Chairman, Mrs. P. McKillop; and Disaster Chairman, Mrs. E. Pickup.

The next big project of the Drayton Valley branch is the March campaign for funds. This year our objective has been increased to \$900. Last year our objective was \$800 and we received a very nice (Over the Top) certificate which can be seen in the Drayton Valley Hardware. It is hoped that the community will help Mrs. Toews and her committee as canvassers and generous contributors.

Low Flying Aircraft Provides Startling Experience for Woman

Mrs. Jean Smith, who lives three miles south of Highway 16

on the old Drayton Valley highway, went through a harrowing

experience one day last week when a jet aircraft apparently passed so close that it left a track on the roof of her house.

Mrs. Smith was sitting in her kitchen when the house shook and a tremendous roaring noise engulfed her. She rushed to the window and saw a jet aircraft moving toward the east at a low altitude.

When she checked outside she found a black track about six inches deep through the snow on the roof. Small black snow balls were still rolling down off the roof when she went outside.

Mrs. Smith was understandably shaken by the experience and did not report the incident to her daughter, Mrs. Jean Stewart of Ramona until Tuesday evening. Fresh snow had fallen since the occasion and consequently no photographs were obtained.

Curl-o-Rama Final at Calgary Rink

District playdowns in the Massey-Ferguson Curl-o-rama were held last weekend to decide the rinks to enter the Northern Alberta final in Edmonton February 3rd and 4th.

District play-offs were held at Rimbey, Holden, Vegreville, Fairview and Dawson Creek. The Drayton Valley area winner playing in the Rimbey play-off was the Bill Ruff rink of Warburg. The area Curl-o-rama, sponsored by Big Country Machinery, was held here two weeks ago with eighteen rinks entered.

As a change from previous years, the national final will be held at the Calgary Curling Club from February 19th to 22nd with four garden tractors going to the winning rink.

ENTWISTLE NEWS

MRS. E. OLIVER
Correspondent

The Elks held their whist on January 25th in the Elks Hall with seven tables of ardent whist players. The winners were: Ladies - 1st Tiny Jevne, 2nd Pauling Bullock, Con. Mrs. Messenger. Men - 1st George Hamar, 2nd Mr. A. Gay, Con. George Bullock. Crib will be held as usual on February 8th in the Elks Hall.

The Entwistle Ladies Curling Bonspiel went on as usual despite the weather. Twelve teams were entered for the Saturday and Sunday curling. A lovely banquet was enjoyed by all the ladies and the 4-H girls and leaders did a very good job of serving the lady curlers. The winners were: Grand Challenge; Calgary Power Prize, was won by the Bolianatz rink of Lodgepole. Second was Maggie Paron of Evansburg. Third Meg Swinnerton of Entwistle. Fourth Lil Hanson of Entwistle. Second Event; 1st, North Western Utilities Trophy, won by Olga Waloschuk of Gainford. 2nd, Vera Starling of Entwistle. 3rd, Rose Hoople of Entwistle. 4th Ellen Robinson of Edmonton. Third Event; 1st, Stella Lorenz of Entwistle. 2nd, Ruth Messenger of Entwistle. 3rd, Iris Shelton of Peers. 4th, Mrs. Dixon of Peers.

The Ladies Curling Club wishes to thank all those who helped and donated in any way for their bonspiel.

A mixed curling 'spiel at Entwistle is scheduled for February

1st and 2nd and a good time is promised to all with a buffet banquet for all.

Several people are home with the flu and we hope they will soon be feeling better and back to school or work.

Drayton Valley, Alberta
February 5, 1969

A.M.A. Driving Course Planned

Another A.M.A. driver training course is proposed for Drayton Valley and its fate will depend on the response from residents.

The course is scheduled to start on March 15th and run for two weeks. Anyone interested should make application to Police Chief Bob Doig.

The last course held in the late spring last year was very well attended and extended into five weeks to enable the 24 persons enrolled to complete the course.

U.C.W. Elects New Officers

United Church Ladies held their annual supper meeting on January 28th with 37 present. A lovely meal was served by the Anglican ladies.

Elections were held and the following officers were elected: President, Mrs. Marjorie Gill; Vice-President, Mrs. Marilyn Boles; Secretary, Mrs. Mae Ramshaw; Treasurer, Mrs. Alice Karsemaker; Program, Mrs. Carol Gaehring; Nursery, Mrs. Rita Kenworthy; Kitchen, Mrs. Mary Hemmingway; Publicity, Mrs. Marlene Samis.

Short year end reports were given and then the ladies moved upstairs for devotions and a film by U.C. moderator Dr. Robert McClure on his work in India. The film was very interesting and enjoyed by all. A sing-song led by Fran Henderson with Anna Raven on the piano was then followed by a get-to-know each other game, which concluded the meeting.

Town of Drayton Valley PUBLIC NOTICE

It is brought to the attention of all householders in Drayton Valley that there is a very real danger from Sewer Vents becoming blocked because icing conditions during the winter period - particularly during the extreme low temperatures we have been experiencing.

It is recommended that you check your sewer vent where it comes out of the roof and ascertain that it is not blocked. Also while on the subject of sewers - remember that for those of you who have drains in the basement be sure there is some water visible in the drain at all times as this provides the sealer to prevent sewer gas backing up and getting in by way of your basement drain.

TOWN OF DRAYTON VALLEY

NOTICE TO PARENTS

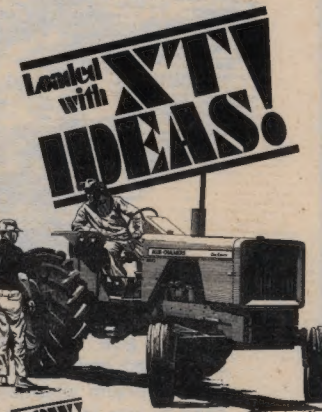

Due to the misunderstandings regarding chaperoning at teen dances in Drayton Valley Elks Hall we wish to make the following announcement.

The Elks Community Hall is operated by the Elks Lodge as a Community Hall and is open to booking by social groups, individuals or orchestras, teen or otherwise.

We do not provide supervision at these functions, the people or persons renting the hall are responsible for damages to the building and equipment.

HOWEVER IF THE ELKS LODGE SPONSOR A TEEN DANCE SUCH AS THE COMING VALENTINE DANCE FOR CHILDREN 12 YEARS AND UNDER, CHAPERONING WILL BE PROVIDED. PARENTS ACCOMPANYING THEIR CHILDREN WOULD BE MOST WELCOME.

The Elks Lodge is also committed to having chaperons available at the Drayton Valley In-Crowd teen club dances held in the Public School Auditoriums, but we repeat, we do not provide supervision at the Elks hall unless it is advertized as sponsored by the Drayton Valley Elks Lodge.

Sundance Clubs Sponsoring Valentine Queen Contest

JIM FERRIER
Club Reporter

The Sundance 4-H Beef and Garden Clubs are sponsoring the annual Valentine Queen contest and dance that was successful last year in raising funds for the Crippled Children's Camp, at Lake Isle. Eleven 4-H clubs are participating, each one has nominated a contestant, and tickets are being sold on a cash draw. The club which sells the most tickets will have their contestant

crowned queen at the Valentine Dance in the Sundance Hall on February 14th.

The proceeds from last year's contest were used by the Stony Plain Regional 4-H Council to build a model barn at Camp He-Ho-Ha, and 4-H families stocked it with animals last summer, thereby giving the handicapped children a chance to see and handle farm animals, many of them for the first time.

Participating clubs and their representatives are: Blueberry Beef, Kathy Wendel; Fallis Food, Pat Orchison; Duffield Beef, Barbara Hickie; Duffield Needle, Sherry Brown; Drayton Valley Beef, Marilyn Rasmussen; Lake-mere Beef, Brenda Adam; Moon Lake Beef, Karen Tufty; Pembina Beef and Field Crops, Shirley Hutchinson; Spruce Grove Multi, Shirley Smithaniuk; Sundance Beef and Garden, Dorcas Hiltz; White Rose Beef, Kathy Cole.

We hope that all friends of 4-H will support the members in this worthwhile effort, and that a good crowd will be on hand at the dance to see the queen crowned. Music will be provided by the Rock-a-Tones.

**Dyna-Balance drive
lets you mow at speeds
up to 9 mph.**

**MF 71
SIDE MOUNTED
MOWER**

Knife speeds up to 30% faster than other "pitmanless" mowers give Massey-Ferguson Dyna-Balance mowers unequalled performance. Working smoothly, quietly, and with minimum vibration, these new mowers cut a field down to size in a hurry. You match knife speeds to crop and mowing conditions through variable-speed pulley... no switching of belts, pulleys, or throttling down the engine. Available in side or rear mounted and pull-type models.

Massey-Ferguson's big side mounted Dyna-Balance mower puts the cutter bar up front where you can watch it without straining, leaves hitch completely free for conditioner or other equipment. The MF 71 lets you mow with cutter bar at 45 degree angle... you can work steep banks. Mounting or removal is so easy it can be done by one man in under five minutes. This is the mower we show the man who wants the finest machine obtainable.

Three low-cost pitman drive mowers. If you prefer a direct-line pitman mower, Massey-Ferguson offers three of the best in 3-point rear mounting, side mounting, and pull-type models. These improved mowers are Massey-Ferguson quality throughout... they incorporate many long-wearing, smooth-operating, fast-cutting features usually found only on the higher priced mowers.

Weekly Livestock Report

The Edmonton livestock report for the week ending January 30, 1969, provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE-CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	3550	2550	1000	1400	515
Last Week	4247	3522	725	782	455
Same Week 1968	4300	3510	790	1585	342

SUMMARY:

Receipts continue light on account of record breaking severe cold weather. Offerings were mostly mixed classes of butcher and replacement cattle during the week. Trade was active at generally higher prices for the quality on offer. Top quality butcher steers and heifers were generally scarce. Butcher steers sold 25 to 50 higher under a firm demand with the odd sale topping 26.10 for choice handy weights. Butcher heifers were mostly of good to medium quality selling at fully steady to firm prices. Slaughter cows were in fair supply with all grades in good demand throughout the week at prices generally 50 higher. Bulls steady with the odd sale to 21.70. Veal calves very scarce at steady prices. Butcher calves steady. Replacement trade on stock and feeder steers was strong with lighter weights selling 50 to \$1

higher, one load of 630 lb. extra good steers topped 29.10 in closing trade with a few sales higher. Stock calf trade was not too active at barely steady prices. Last week's cattle shipments off the Edmonton yards: East-215 head for slaughter and 175 feeders. West-525 for slaughter, to southern Alberta-272 feeders. Export Nil.

(Bulk Closing Quotations)

Good to choice butcher lambs 25.50 to 26.50 cwt, with local feed lot lambs at 27 cwt less 4% shrink.

F.U.A. Meeting

Regular monthly meeting of the Drayton Valley Local 519, F.U.A. will be held in the Town Council Chambers at 8:00 p.m. on Wednesday, February 12th.

The hospital's recovery room should be right next to the cashier's office.

TOWN OF DRAYTON VALLEY

Re: Real Property Taxes Discounts and Penalties

Please be advised that The Council of The Town of Drayton Valley has passed Bylaw No. 431 authorizing allowances of discounts and impositions of penalties on Taxes as Follows:

- To allow discounts on all payments of current taxes:
 - during the period January 1 to March 31, a rate discount of 8%.
 - during the period April 1 to June 30, a rate discount of 5%.
- To impose a penalty on all payments of current taxes and be added to and form a part of the unpaid taxes:
 - during the month of August a penalty of 1%
 - during the month of September a penalty of 2%.
 - during the month of October a penalty of 3%.
 - during the month of November a penalty of 4%.
 - during the month of December a penalty of 5%.
- Upon all taxes remaining unpaid at December 31, in any year, a rate of penalty of 8% will be imposed and added thereto and in each succeeding year thereafter so long as the taxes remain unpaid.

The provisions of Bylaw No. 431 became law on the 19 December 1968.

Town of Drayton Valley
December 23, 1968

W. G. JOHANNESON,
Secretary-Treasurer

EVANSBURG NEWS

MRS. M. BRUNER
Correspondent

Still the cold persists and still someone or other are having trouble with fuel or water supplies but everyone continues to carry on so let's hope that soon, all these cold setting records will be a thing of the past and all will be well.

We don't hear of anyone coming down any more with the flu so perhaps that bug has gone on its way for another year or so.

In spite of the cold most school buses have kept running and our schools have stayed open. Fortunately, those semester students writing finals were not delayed in doing so by the school buses not being able to function. At least the first semester can now be forgotten about by those students who have been successful in their exams.

A bridal shower was held in the Legion Hall recently for Miss Sandra Campbell who is to be married soon. About fifty ladies braved the cold weather to honor Sandra at this event.

This weekend (but really last weekend as this is read) a bonspiel is to take place in the curling rink and part of the ice in the new arena is to be used as well, for curling purposes, as quite a number of rinks have indicated they will take part.

Youth activities are still being postponed or cancelled because of the cold weather. There has yet been no Wolf Cub Pack meetings or Sunday School classes at the United Church this year.

However, to make us feel that spring must be coming, some new wee lambs have made their arrival at the Hutchinson farm recently. Rather a chilly reception, we should say.

This week a member of our family is hospitalized in an Edmonton hospital for a few days. At least Lee doesn't need to worry about walking to school in the cold weather.

F.G.A. Trophies Presented

Fish and Game trophy winners shown above, left to right, are Mike Karach, mule deer, Northern pike and trout; Siegmund Sowada, grayling; and Paul Diachuk, pickerel. Missing when the photos were taken were Dave Unger and John Vaughn, winners of the ruffed grouse and whitetail deer trophies, respectively.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Francis Law has been released from hospital and is staying for a time with her son-in-law and daughter, Mr. and Mrs. John Daderfer in the city.

Thirty-five tired, happy young people returned to town last Sunday night after spending the whole day at the Edson Silver Summit Ski Slope. The young people are all members of the local ski club and were taken to Edson by Mr. Nick Urchysyn. Some of the young skiers felt the slopes of the Silver Summit compare favourable with those

of Marmot Basin. Silver Summit has the added advantage of course of being closer to Drayton Valley.

Mr. Otto Guze is well away to another successful year with his 4-H Beef Club. This year's club comprises seventeen enthusiastic members scattered throughout the district.

Mrs. Robert Doig and children have returned from Winnipeg where they have been holidaying and visiting relatives for a month. Both Mrs. Doig's and Mr. Doig's parents live in Winnipeg.

RAMONA NEWS

MRS. J. STEWART

Due to the cold weather I couldn't get my car going in time to get my news in the last two weeks, so will try to make up for lost time.

A belated special happy birthday to Mr. Alvin Manchester at Gainford who celebrated his 77th birthday on Saturday, January 25th.

Our first bingo of the year was on January 14th. The jackpot was not won so next Tuesday, February 11th, the jackpot will be \$65. Congratulations to the prize winners at last month's bingo. They were Jerry Rybak, Marion Kmyta, Blanche Labossiere, John Nixon, Mary Kmyta and Bertha Townsend.

Spring must be coming, a couple of weeks ago Darragh's Volkswagon got frisky on the icy roads and tried turning somersaults. Helen and the boys were in the car at the time but no one was hurt. By all the tracks in the ditch many more cars are acting up too.

Congratulations to Marilyn Rasmussen who was chosen to represent the Drayton Valley 4-H Beef Club in a Valentine Queen Contest to be held in the Sundance Hall on Friday, February 14th. Several clubs around this part of the country are selling tickets on their club queen, the tickets are 25¢ each or 5/\$1.00. They are on three prizes, \$50, \$30 and \$15. Anyone wanting to support Marilyn can contact any club member or phone Marilyn at 542-2197.

We hear Hartman's have moved into their new home.

Get well wishes to Mrs. Solomon who has been in Edmonton for minor surgery. We hope you will feel good as new Mrs. Solomon.

We were sorry to hear that after only a week at home from an Edmonton hospital, Mrs. Wispinski is back in the Drayton Valley Hospital.

The Cliff Whitelocks added a new member to their family of

horses on Saturday when a stud colt arrived from Waggoner, Oklahoma. His father is a racing quarter horse named Mr. Bar None and the colts name is "Better Believeit".

Congratulations to the Sharkey family on their twin boys.

I have gotten many phone calls asking who Lisa and Oliver are. Well I don't know any more about it that anyone else. I do hope Oliver will let us know if Lisa does come back. We will all die of curiosity if the ad stops, wondering if Lisa came home or Oliver ran out of money for ads.

Belated birthday wishes to John Melnyk February 1st, and Michael Blake February 2nd. Happy birthday this week to Penny Putnam and Barbara Yurkavich February 5th. Darlene Stewart February 6th, Donnie Stewart February 7th, David Kmyta February 8th, Verna Benjamin February 10th. We hope you all have a very happy birthday.

The Teen Club is holding their next meeting and dance this Friday, February 7th. I was asked to mention that there is a 50¢ fee to join the club then a 25¢ fee for the dances. Some of the youngsters haven't paid their 50¢ dues as they didn't realize that the 25¢ a month isn't the membership fee. You must be a member to attend the meetings and dances. All members are asked to phone Elvira at 542-2213 or Bonnie at 542-2226 as instead of the regular lunch each one will bring weiners or buns, so phone the girls to see what you should bring.

Vern Benjamin is home from Zamma Lake for a few days. Welcome home Vern.

The importance of ice thickness as a safety factor cannot be exaggerated. Remember, ice thickness of up to two inches is dangerous and three inches of ice thickness is very risky. For absolute safety always ensure the ice is at least four inches thick.

WARBURG NEWS

MISS V. LEHAY
Correspondent

The Warburg basketball teams travelled to Thorsby on Friday, January 24th. The Warburg girls won their game. The boys was hard-fought. In the last five minutes Warburg took the lead and won the game 51-39.

A card party was held at the home of Mrs. Anna Wold on Saturday, January 25th. There were seven tables of whist. The winners in the men's and women's divisions respectively were, William Bunney and Alice Smith. The second prize winners were Glen Beath and Mrs. Blankmore. The winners of the travelling prize were Mr. W. Bunney and Jean Wold. Lunch was then served by the hostess. A good time was had by all. The next card

party will be held at Alfred Hocks home in two weeks time.

On Friday, January 24th, the basement rumpus room of Mr. and Mrs. Ed Broadbent was filled by approximately thirty young people gathered to celebrate Lynda Broadbent's 18th birthday.

Home for Lynda's party were Carol and Shirley Broadbent, Carol May, Leon Cender and Marvin Miller. Also present at the party was Ted Slusarczyk, who is unable to return to his job until weather conditions improve.

Mrs. Fern Broeckx, sister of Mr. Nora Broadbent, and her husband of Clinton, B.C., were visiting Mr. and Mrs. Ed Broadbent in the past week.

Roy Fuller returned home from the Breton Hospital after a three-week stay and is recuperating at home.

Mrs. Stavis went to visit her mother in an Edson hospital. She became ill and was also admitted to the hospital. She was recuperating in the home of her brother in Edson.

Gus Fisher was home from the north over the weekend returning Sunday night. His camp will be moving from High Level to Fort McMurray.

Everet and Jean Broadbent of Edmonton were visiting at the home of Mr. and Mrs. Ed Broadbent on Sunday.

Marlene and nine-day-old Dwayne Stuart Norman returned by plane to Yellowknife on Monday, January 27th.

Beverly McAmmond, presently employed with Child Welfare at the Executive Building in Edmonton was home to visit her parents, Mr. and Mrs. Bert McAmmond and family over the weekend.

The Luther Leaguers of Thorsby Lutheran Parish, which includes Telfordville and Warburg, held their annual elections on Sunday, January 26th in the Telfordville Lutheran Church. The new officers are as follows: President, Robert Kruger of Thorsby; Vice-President, Larry Miller; and Secretary-Treasurer, Joy Kirchner. The executive will meet with Pastor Felstrom to outline a general program for the next six months.

Victor Wold and Leona Vogel of Edmonton were visiting Mr. and Mrs. Elvin Wold on the weekend.

Anyone interested in organizing a crib tournament with the aid of Ben Weiss, please phone him at 848-2347. Also, would those who would like to play in the tournament, kindly phone their names to Ben Weiss immediately.

The Warburg Ladies' Bonspiel was held on January 24th, 25th and 26th with twelve rinks entered in the competition. The MacKenzie rink of Drayton Valley took the Grand Challenge. The Ladouceur rink of Breton took second in the first event. The Shirley Ruff rink placed first in the second event leaving the Laurie rink second in the second event. In the third event, the M. Hamilton rink of Calmar placed first and the S. Jones rink of Warburg placed second. A banquet was held on Saturday at 5:00 in the Community Hall for all participating rinks. The ladies would like to thank their husbands who so ably served the banquet.

Two Warburg men's rinks brought home prizes from the Breton Men's Open Bonspiel last weekend. The Joe Hoshowski rink of Warburg took the Grand Challenge, the members of his rink are: Zo Han Liba (third), Leon Cender (second), and John Hansen (lead). The Angus Laurie rink placed fourth in the third event. The members of his team are Neil McAllister, Tom Ellis and Bob Unger.

The future bonspiels will be held as follows: the Men's Open Bonspiel, February 14th, 15th and 16th with 24 rinks competing

ing in three events. The Mixed Open Bonspiel will be held February 28th, March 1st and 2nd, with 24 rinks and three events. The Farmer's Open Bonspiel will be March 14th, 15th and 16th with 24 rinks and three events. For further information phone A. Laurie at 848-2377; Pauk Stat at 848-2364; or Joe Hoshowski at 848-2580.

Veterinarians Plan Prepaid Service

Dr. Rick Miller of Vegreville, new President of the Alberta Veterinary Medical Association, said in Red Deer during the weekend that his Association will proceed with plans for a prepaid veterinary service scheme.

Dr. Miller, who took over the top post from Dr. Hugh Vance of Edmonton at their annual meeting in Red Deer, said they hoped a pilot project would be established in the Peace River country in the near future and that this would lead to other areas in Alberta accepting the principle of Veterinary Services Incorporated.

It is visualized by the Association the V.S.I. would operate in a similar manner to M.S.I. in human medicine. This would allow the veterinarian to be of greater economic benefit to livestockmen in preventing outbreaks of disease instead of attempting to contain and cure a disease once it was established in a herd.

Cadet Jackpot Winner

Mr. Walter Romano is shown above accepting the Air Cadet bingo jackpot prize of \$170.00 from Roy Hale (R), Chairman of the Air Cadet Civilian Committee. This was the first time the jackpot has been won in three years and goes to a deserving bingo patron -- Mr. Romano has attended every Cadet bingo since they started. Cadets looking on from left to right are, Rick Pajak, Danny Wickland, Doug Steeves and Omer Saucier.

Recreation Round-Up

by
Mike Gormley

MINOR HOCKEY BRIEFS:

Minor Hockey Week featured a full schedule for the Mites, the Pee Wees and the Bantams at the Centennial Civic Centre. The Midgets had the week off in order to keep their scholastic standings up to par during the recent exams. They played their only game on Saturday evening at home to Leduc. The visitors

won the game 6-4. This was a regular league fixture in the Hi-Way 16 Midget Hockey League.

Two local teams the Pee Wees, D.V. Hotel Leprechauns and the Bantam, L.B. Motors Tigers travelled to Edson on Sunday to take part in a Minor Hockey Day conducted in that town. Both teams came home with victories. The Leprechauns edged the Edson Rockets 2-1 in the first game. Donnie Hennessey was selected for the first star of this game by the Three Star Selection Board which covered all Minor Hockey games played in Edson last week. The Tigers came through with a 7-5 victory in an exciting, wide open contest. Jim Tucker, the Tiger's goalie was selected for the first star in this game. Jim played a spectacular game in the nets for Drayton Valley.

Work is progressing on Minor Hockey Night which will be held at the Centennial Civic Centre on Friday, March 7th at 7:30 p.m. A total of fourteen teams will take part in this extravaganza of Minor Hockey. All the teams in the local leagues from Mite through Bantam will be playing. In the case of the Midgets a team will be imported to furnish the opposition. Minor Hockey Night has met with good success over the past two seasons

and we can look forward to a bumper evening with plenty of exciting hockey action again this year.

FIGURE SKATING TESTS:

The Alberta Figure Skating Association examiners were in town last Saturday to examine candidates from the Drayton Valley Figure Skating Club who aspired to different awards in the Association. A total of 124 local skaters were tested at the Preliminary, Bronze, Silver and Gold levels. Of this total 88 candidates or 71% were successful which is pretty good rating in any competition.

In the different classes the local candidates rated as follows: In the Preliminary class 45 out of 64 candidates passed, at the Bronze level 25 out of 35 candidates pass, in the Silver division the passing rate was 13 on 15 candidates and for the Gold Award five out of eight made the grade.

The Canadian Figure Skating Tests will be held here on Sunday, February 16th. Tests will be held for candidates aspiring to the Canadian Preliminary rating as well as those preparing for awards for dancing on ice.

From this date for the skaters it will be practice, preparation for the big day of the season, the climatic event for each and every person in the Drayton Valley Figure Skating Club, the Annual Ice Carnival which will be held at the Civic Centre on Saturday, March 22nd with afternoon and evening performances.

A man bought a parrot and in trying to make him talk he kept repeating - "Hello, hello, hello."

Finally, the parrot opened one sleepy eye and said "What's the Matter? Line busy?"

KEEPPHILLS NEWS

MRS. G. RAYMOND
Correspondent

A banquet at the Keepphills hall on January 20th of the 4-H Beef Club was well supported and only eight of the 125 failed to get there, due to cold weather and sickness.

The old flu bug has kept busy through the cold spell and has visited quite a few homes in this area. It appears to be rather mild in some cases yet some are very ill.

The cold weather brings back memories of the old days when many of the old timers fought the cold with an ax and cross cut saw. They never kept it out of the house too well but they got by.

Nora Dombrosky spent a few days in Edmonton when her sister-in-law Margaret MacDonald went through surgery at the Mis-

ercordia Hospital. She is doing nicely and hopes to be home soon.

Mrs. Walter Porter underwent surgery on January 20th at the General Hospital. We all wish you a complete recovery Nancy and hope you are home soon.

Donna Porter was home over last weekend, the first time since the new year. Donna is attending University.

Ken Porter visited his doctor and had the cast removed from his leg and is able to get around very nicely.

"Boy, am I miserable," a hen-pecked husband told a friend. "My wife told me she would not talk to me for thirty days." "Miserable? I'd be delighted," answered the friend. "You don't understand," replied the distraught fellow. "Tomorrow is the last day".

Youth is a wonderful thing. What a crime to waste it on children.

BERRYMOOR NEWS

MRS. D. MARTIN
Correspondent

Get well wishes are extended to Gerry Roberts and John Johnston who were injured in a highway accident. Both men spent a few days in hospital having their injuries treated.

Ralph Thatcher is home again after spending a few days in the Drayton Valley Hospital.

John Davis was home for a few days from his job in the north country.

Edward Fewster was home over the past weekend.

Clifford Johnston of Fort Saskatchewan spent a short time at the home of his parents.

Gerry Roberts had the misfortune to cut his hand recently as a result of a mishap with a knife.

A number of local homes were without power for over an hour last Wednesday evening.

Mr. and Mrs. George Van Emmer have been taking in quite a few bingos recently and report quite an amount of success.

The Berrymoor Three B's Club held their January meeting at the home of Mrs. Susan Roberts on the afternoon of January 25th. Considering the frigid temperatures the attendance was very good. It was decided that the club would sponsor a whist drive at the home of Mr. and Mrs. Martin Lietz on the evening of February 1st. Everyone welcome.

Congratulations to Mr. Bill Roberts for winning a first prize at the "Search for Talent" show held recently at Drayton Valley.

Mr. and Mrs. Donald Martin and Fred spent Sunday at the home of Mr. and Mrs. Jim Martin. Miss Heather Malin of Buck Creek was also a guest.

Get well wishes are extended to Mrs. Gerald Roberts who is a patient in the Drayton Valley hospital.

Mike Musson of Breton visited with his school friend, Fred Mar-

tin one evening last week.

Due to the extremely cold weather the local school buses did not operate on Thursday and Friday of last week.

We are happy to report that Mr. Fred Bijou of Lindale has returned home from hospital and hope that he is feeling much better. The flu bug was pretty rough on him

Boxing Card At Breton

A 10-bout boxing card will be held in the Breton High School Gym starting at 8:00 p.m. on Saturday, February 8th.

John Teeter, formerly of the Drayton Valley Club, will be featured in the main event of the card sponsored by the Breton Boxing Club. Three provincial challenge matches will also be held.

The Duperron boys, Ray and Bert will be boxing on the card, as will Walter Mastro who won last weekend in Fort MacMurray over a good opponent.

FALLIS NEWS

MRS. R. PATRICK
Correspondent

On January 17th, Mr. Charles McDonald of Fallis and Edmonton passed away in an Edmonton hospital. He was a veteran of the second Great War. He is survived by his wife Martha; three sons; two daughters; his parents, Mr. and Mrs. Adam McDonald of Edmonton; and brothers and sisters and many other relatives. Funeral services were held in Edmonton on January 21st. All in the district extend sympathy to the McDonald families.

Mr. Wilfred Quigg has purchased the George Mann school buses. Mr. Roy Bamber is driving for this district as well as Mr. Colin Thorburn in Mr. Quigg's absence due to health reasons. Get-Well wishes are sent to Wilfred.

Mr. and Mrs. Don Basso of Calgary were recent visitors here with Stella's parents, Mr. and Mrs. Mike Mashtaler.

Douglas Starko has been at home with his parents, Mr. and Mrs. Emil Miller at Gainford for several weeks. Doug is employed with a company in Borneo. Get well wishes are sent to Mr. Miller who has been in the Stony Plain Hospital with flu, pneumonia and later, surgery.

Mrs. May Lockner is employed in Stony Plain at the Good Samaritan Nursing Home.

Ski Club Holds Annual Meeting

The Drayton Valley Ski Club held a general meeting at the Pan Am Hall on Wednesday, January 22nd.

Officers elected for the next term are; N. Urchishyn, president; A. McKillop, vice-president; M. Rea, secretary; and O. Nickel, treasurer. Directors of the club are R. Steeves, D. McKenzie, Miss C. Barnes, D. Atkinson and G. Swanlund.

The hill is in excellent condition and members of the executive are looking forward to a good season.

The hill is open at the following times: Sunday, 1 to 5 p.m.; Monday, 1 to 4 p.m.; Thursday, 7 to 10 p.m.; and Saturday, 10 a.m. to 5 p.m. and 7 p.m. to 10 p.m.

4-H Club Plans Amateur Night

The last regular meeting of the Lindale 4-H Swine Club was held at Leslie Horsman's on January 21st. The roll-call for the meeting was "Community Projects."

The members were presented with their membership cards and the business of the meeting was continued.

The club decided to hold an Amateur Night on March 22nd at the Lindale School. It was also decided to have a sleigh-riding party on February 1st at T. Martin's. If the weather permits we will have a weiner roast.

Roger Martin gave a report on Alberta, and the other members gave impromptu speeches. The meeting was then adjourned, and lunch was served by Mrs. Horsman.

CUB NOTES

A PACK: There is one new cub in A Pack, Leonard Kurylo, this makes a total of 35 cubs in the pack. A sixers Council has been started. This is a meeting of the senior boys and the Cubmaster to discuss anything of interest to the boys.

B PACK: The Cubs of B Pack have earned one star and four proficiency badges this month. Badges were earned by Danny Innis, Derrik Johanneson, Lyle Dressler and Bret DesBrisay. Michael Shimbashi earned his green star. William Eustace and Brent Innis have been promoted to Sixers. Derrik Johanneson and Bradley Brown to Seconders and Ian Cowan to Senior Sixer. There are now 25 boys and four leaders in B. Pack.

C PACK: This has been an exciting month for the pack in spite of the cold weather. Ricky Radowits earned his fifth star and is now Senior Sixer. Altogether there were two stars earned and three badges in the three meetings held. The Christmas card collection totalled 6,228 cards, and the boys hope to collect more next year. One meeting of the Sixers Council was held.

Some news of general interest to all cubs and scouts is the coming of Baden Powell week from February 16th to 23rd. The father and son banquet will be held on the 17th, and plans are in progress for a joint all-faith church service for Scouts, Cubs, Guides and Brownies to be held on Scout Sunday, February 23rd. Tentative plans are to hold this service in the Cadium Theatre, and the families of the children involved would be encouraged to attend. Watch in The Western Review for further news on this service, and also the time. The Cubs and Scouts wear their uniforms to school during Baden Powell week, and the Scouts are reminded to wear their sash.

IN MEMORIAM

In loving memory of our dear father Ted Pastushuk who passed away on February 6th, 1968. Gone, dear father, gone forever. How we miss your smiling face. But you left us to remember. None on earth can take your place. A happy home we once enjoyed- How sweet the memory still- But death has left a loneliness The world can never fill. Every remembered and sadly missed by daughter Anne, husband Bill and children.

In loving memory of a dear husband and father Ted Pastushuk who passed away on February 6th 1968. Calm and peaceful he is sleeping. Sweetest rest that follows pain; We who loved him sadly miss him. But trust in God to meet again. Ever remembered and sadly missed by your loving wife Sophie and family.

BURTONSVILLE NEWS

MRS. A. HOMME
Correspondent

Zoltan and Norma Petriko and two little boys of Edmonton braved the icy roads and cold weather on Sunday to come and wish Norma's Dad, Axel Homme, a happy birthday. Even though it was a day early Norma brought a lovely strawberry shortcake that was delicious even in cold weather. Zoltan took his family and in-laws to visit Cecil and June Homme and family where June served a lovely supper.

On Monday Stanley and Doris MacDougall, David Tattersall and Buford Walker arrived to wish Axel many happy returns. Cecil and June and family enjoyed supper with Cecil's parents.

Those who could not make it home because of work or cold weather, sent greetings by phone and lovely cards.

Some have been having trouble with frozen water lines but seem to get them going in spite of the cold weather. Stanley McDougall reported 51 below zero. Others on the hills reported 49 below on January 28th.

Parkcourt News

MRS. K. FAUSAK,
Correspondent

Stanley Greenwood, Mike Horra, Andy Rosadiuk and George Young took part in a bonspiel at Drayton Valley last week.

Congratulations to Mrs. Young, Sr., on becoming a great grandmother. The happy parents are Mr. and Mrs. Doug Sime.

Iwaschuks had a narrow escape when they went out to their barn to find it filled with smoke. With quick action they were able to put out the fire.

Joe Wyshinsky has been out of school for several days with an infected arm. Hope you are better soon Joe.

Klondike Posse Hunting

The Edmonton Klondike Posse is on the hunt again! Not for desperadoes, but for places to show off their talents.

This will be the Posse's 19th year of riding the range and the parade route as well as performing in dozens of cities, towns and villages.

Knowing their popularity with the law-abiding citizens everywhere, the Posse is now taking bookings for their Musical Ride from any organization or show this year and interested parties should contact Mr. Art Harvey of the Edmonton Exhibition Association. Any peace-lovin' horsemanship-appreciatin' folks will be kindly given assistance.
